

Lesley Wheel Memorial Award

Design a desk luminaire!

Objective

The IESLA is taking over the Lesley Wheel Memorial Luminaire design competition for 2023-2024 school year! This year we are providing kits (base materials) to help students with their design. The theme this year is to be inspired by the *City of Los Angeles*.

The Kits

We would like to provide students with the following:

- Static white LED source (either tape light or board) up to 500 lumens with quick connects. To be compatible with power source. Need at least quantity of (50) is required.
- Plugged power source with dimming switch- with quick connect. Need at least a quantity of (50) is required.
- Packaging boxes- plain without any logos. Need at least a quantity of (50) is required.

Timeline of the competition

- October 2023- Online registration opens on IESLA website for students
- **November 15, 2023- All kit material is required from the manufacturer.**
- December 1, 2023- Luminaire kits will be available for pick-up (locations TBD)
- December 2023-March 2024- Let your imagination run wild! Design, design, design!
- April 1, 2024- Submissions due. Details will be provided on where to bring submissions.
- April 30, 2024- Finalists to be notified. (Date TBD)
- May 2024- Final judging (Date TBD)
- June 2024- Award winners invited to Lumen West Awards (Southern California Illumination Awards)

Contact

Please contact Allan Weaver and Andres Regens if interested in donating to the kits. allan@formanandassociates.com or ar@regensdesign.com

Thank- you for your interest in the IESLA Luminaire Design Competition – Lesley Wheel Memorial Award for 2023-2024!
